Subject Town Improvement Grant for widening the square, near the Police Station at Sagar, Town

I have the honour to state that on a recommendation made to Government vide this office letter No M3 C 2284/40-41 dated 2/6/41 and subsequent letter of even No dated 5th June 1942, for sanctioning a grant of Rs 14,500/- from out of the Town Improvement Grant in order to enable the Sagar Town Municipal Council to take up the work of widening the square near the police station at Sagar Town, it was replied stating that the proposal for the grant asked for would be kept in view and considered at the time of the distribution of the Town Improvement Grant for the year 42-43 Kind reference is invited to your letter No L 819/ML 102-42-7 dated 22/7/42 But the Grant in question was however not made to the Municipality during the year 42-43, while distributing the Town Improvement grant to the several Municipalities in this District, (vide G O No L 7630-43/ML 102-42-76 dated 4th February 1943)

The Municipal President requests (in his letter No C 25/43-44 dated 1st August 1943) Government might be moved once again for sanctioning the grant in question at least during the current official year 43-44, in view of the urgency to take up the work in question

I write to state in this connection that a ~~little~~ like sum viz , Rs.14,500 has however been provided for the purpose on the current year's sanctioned Budget of the Municipality

In these circumstances, I request that sanction of Government may kindly be obtained to grant a sum of Rs 14,500/-, to the Sagar Town Municipality from ~~at~~ out of the current year's Town Improvement Grant

Sir,

With reference to the above, I have the honour to forward herewith a revised layout for the improvement of the road junction of the Bangalore-Honnawar and Avinahalli -Sorab roads at Sagar

Before this scheme is taken, it seems however desirable to investigate whether it would not be better to deviate the Bangalore - Honnawar road outside Sagar town instead of spending a considerable amount on what can always be only a make-shift solution
